## Tulsa County Treasurer's Land List Disclaimer for 2023 June Resale Auction

1. **ALL SALES ARE FINAL.**
2. Failure to view the properties and pertinent land records will not be grounds for voiding the sale.
3. Bidders are advised to view any property (excluding access) which they are interested in purchasing prior to placing a bid.
4. This land list is subject to change as some of these properties listed may be either paid or removed and not available at the time of auction.
5. The minimum bid is either two-thirds of the assessed value or the total amount of the published taxes, interest, costs and fees, whichever is the lesser amount.
6. \*Resale costs and fees must be paid in addition to the successful bid. The costs & fees shown on the land list are approximate amounts and are subject to change.
7. If purchasing under multiple names, it is the responsibility of the bidder to use the correct bidder number. No sale will be voided due to the use of the wrong bidder number.
8. Legal descriptions and property addresses are as they appear on the tax rolls certified by the county assessor. Any square footages reflected with respect to the offered properties are estimates only and are intended solely to assist prospective purchasers in determining those properties which they may wish to view and otherwise investigate prior to submitting a bid. Neither Tulsa County nor the Tulsa County Treasurer makes any guaranty or warranty, express or implied, regarding the accuracy of any estimates of square footages, legal descriptions or property addresses.
9. The real property being offered for sale at this auction is being sold "as is" and may or may not have a house and/or other improvements. The best way to determine if a property is improved is to personally view the property prior to placing a bid. Contact should also be made with the city in which the property is located to determine if the city has demolished or has any plans to demolish any structures on the property. By placing a bid, the bidder assumes all risks associated with the status and condition of the property.
